Compact reliability you can count on. With an extra bonus.

Thanks to the high-yield All-In-One cartridge – that features best-in-class cost-per-print – our SP 277 X series can make your printing life much more economical. It gives you up to 2,600 prints from initial purchase, which means less frequent replacement of the toner cartridge and with more time between ordering supplies, your total cost of ownership are reduced too. And each device's usability and reliability will give you more time to focus on the business and less time replacing toner.

- Product portfolio: Standard Printer: SP 277NwX, 3in1 MFP: SP 277SNwX and a 4in1: SP 277SFNwX
- Best-in-class cost efficiency with All-in-One cartridge technologies
- Low frequency of replacing toner thanks to high yield cartridge - up to 2,600 prints – included in the box
- Auto driver install and supports various IT usage environments including Windows/Mac/Linux/iOS/Android
- Print from mobile devices with Smart Device support: Mopria, AirPrint, Google Cloud Print, Ricoh apps and NFC

A range to suit your needs.

Small size. Mighty output.

Simple to set up, their intuitive interface means they add value to your output every day. Their compact nature enables flexible positioning anywhere in an office or home office environment. And the included high-yield All-In-One cartridges, you get more prints at a lower cost across the range.

Connect wherever you are.

These multifunction printers enable you to securely send documents to print and collect scanned images from your mobile smart device quickly. The connection options support iOS and Android – and with NFC you can easily connect without having to register your device or join the network.

Work in new ways.

Helping you work more efficiently and more flexibly, these black and white A4 devices support wireless connectivity in AirPrint, Mopria and Google Cloud Print to let you connect with ease. And with the Ricoh Smart Device Print&Scan app, you have the flexibility to simply get on with the work.

Low cost. Less waste.

Get the advantage of the lowest CPP in its class and buy toner less often. Save on both time and costs with the All-In-One high yield cartridge. Capable of up to 2,600 prints right out of the box, you also get a lower environmental impact thanks to less frequent disposal and an overall better TCO.
